

# CORPORATE GOVERNANCE

This short course is designed for managers across all sectors. It is intended for managers who need to broaden their understanding of how companies are controlled, administered, directed and managed in a way which is consistent with set objectives. It is also important that managers have a firm understanding of basic issues surrounding corporate governance in order to deliver the expected quality of service in an accountable manner.

## Learning Objectives

- Show understanding of basic principles of corporate governance
- Demonstrate understanding in responsibilities of the board and directors
- Distinguish the types of boards and their activities
- Outline the board structure, procedure and development process.

## Who should attend?

This module is specifically designed for anyone who is in corporate leadership or intends to be.

## Modes of delivery

The module shall be delivered by way of:

- Lectures
- Demonstrations
- Group presentations
- Case studies
- Assignments
- Practicals

*Each training group will have their training resources tailor made to meet their specific training requirements. The delivery method will be adjusted accordingly.*
